(1) Per the HAPC contracts.

(2) Certain financial data contained in these tables have been obtained from the December 31, 2006 audited financial statements of each Development.

(3) "Financial and Other Revenue" includes earnings on invested financial assets (including various reserves).

(4) Includes mortgage insurance premiums and deposits to the replacement reserves and excludes releases from the replacement reserves.

(5) "Revenue Available for Debt Service" is computed by subtracting "expenses Excluding Depreciation, Amortization and Interest" from "Total Revenue."

(6) The interest rate on the mortgage loans reduced to 7.02% when HAP contracts expired. All contracts have expired. Expiration dates listed are for new HAP contracts.

(7) Debt Service Coverage is calculated as Revenue Available for Debt Service on Mortgage Loans.
