Subject: Sav-mor grocery store

Chris,

There is a Sav-Mor Foods grocery store currently open in Hendersonville, NC, yet the QAP states that Sav-Mor stores are no longer open in NC. The sign on this store is Sav-Mor Foods. Is this store a different entity than Sav-Mor?

Unless there is evidence that this particular store is going out of business, please add Sav-Mor Foods or Sav-Mor back to the allowable grocery stores in the 2013 QAP.

Thank you,

Hugh
