**Subject:** First Draft 2016 QAP Comment

Scott,

I have the following comment to the First Draft 2016 Qualified Allocation Plan regarding Section IV Selection Criteria and Threshold Requirements part C, subsection 1(b): Lines 5 and 6 of the PDC description should total \$63,000 per unit instead of \$60,000 per unit. This will better account for current construction conditions.

Happy Friday!

Thanks,

Brad
